LET YOUR
HANDS
LEAD THE WAY!

Tomorrow is
in your hands. 

MANIFESTO

**There is unsuspected power in hands.
It's amazing what you can do with just two hands.**

We talk with our hands.
We count with our hands.
We glue, mould, model, paint, and draw.
Our hands have the power to reveal who we are.
We gain in precision, agility, and creativity.
We gain self-confidence.
And that's not all. We learn to express
our feelings and ideas.

**Yes! When our hands play,
we develop our brain.**
